

Newsletter September 2024

Dear colleagues,

We hope that you have been able to enjoy a pleasant summer that allows you to start freshly and with lots of positive energy into the new season.

The **ETC** has just finished its **Live Meeting in Bath** where we had an intense and very productive time. You will be informed about the topics that have been discussed in our next newsletter.

For now, we want to let you know about some personal changes within the ETC:

Beth-Karin Danielsen – ETC representative for Norway since 2015 where she has served as Treasurer for three years and as the Chair since 2020 – as well as **Mamie Wisker** – ETC representative for the UK since 2017 and Treasurer since 2018 – have left the ETC and its Board of Directors. We want to thank both of them for their big contribution and dedication through so many years and wish them all the best for their future path.

At the same time, we are happy to welcome two new reps at the ETC: **Ian Brener** for the UK and **Sigrun Sand** for Norway.

Especially delighted are we to announce that a new Guild has joined the ETC: The **Polish Association** that is being represented through **Aldona**

Unrosciewicz who has also been present in Batn!

The freshly elected Board of Directors of the ETC includes the following members:

Andrea Melita Thiem, Chair (Italy)

Nicola Zollinger, Treasurer, (Switzerland)

Tsippy Ganan, Secretary (Israel)

A re-election of the BoD positions will take place during the December GA.

Welcome to a new TAB member and still one further TAB members wanted

ETAB is happy to announce that a new TAB member has been found: **Nadav Chen, Assistant Trainer** from Israel who will join the team from now on.

Please be aware that the TAB is still in need of one more member:

1 Trainer or Trainer Candidate or Assistant Trainer!

A position in ETAB offers a unique perspective on the dynamics of the international Feldenkrais community, focusing on the educational process, where the TAB is responsible for developing new standards. If you want to understand the current state of the Feldenkrais method and help shape its future, the TAB is the place to be.
